

Developing Adult Social Care with you in mind

Developing Adult Social Care with you in mind

Adult Social Care aims to help people aged 18 and over stay independent, safe and well so they can live the lives they want to.

Barnsley CVS wants to find out people's views on Adult Social Care services in Barnsley.

We want to hear from as many people as possible, whether or not you receive services funded by Barnsley Council. This will help to shape the future of Adult Social Care services in Barnsley.

The deadline for responses is FRIDAY 24 NOVEMBER 2023.

After the deadline, Barnsley CVS will collate the responses and produce a report that will be made widely available. Your responses will be kept anonymous.

For assistance filling in the survey or for a paper copy please get in touch.
